### Hadas for Havdallah

We are taking part in the US eco-friendly *Hadas for Havdallah* initiative by collecting hadas (myrtle leaves) after Sukkot. The hadas will then be repurposed by youth groups to create Besamim (spice) bundles for Havdallah, transforming one mitzvah into another. There will be a collection bin in the foyer - please donate your arba minim once you have finished with them. As well as repurposing the Hadas, the lulav and arava will be taken to be composted and the etrog will also be repurposed.

### Simchat Torah Project

Thank you to all those who have kindly donated to the special [Simchat Torah project](#) recently launched by Mizrahi UK which GGS is honoured to be part of.

The special Sefer Torah cover will adorn one of our Torah scrolls and is dedicated in memory of a specific individual whose name will be embroidered on the cover. This cover will be used for Yizkor on Shemini Atzeret (the yearzeit of most victims) and danced with on Simchat Torah. If you would like to make a donation, please contact the shul office.

If you have any questions, please contact Philip Goodman who has kindly volunteered to coordinate this project - [philip@goodmanandco.com](mailto:philip@goodmanandco.com) or 07973 362366.
